SPEAKER PROFILE · 2026

Life is not meant
to be ordinary.

Founder · Advisor · Speaker

ABOUT

Honesty on stage, growth off it.

Vanessa von Frankenberg is a founder, advisor, and speaker who helps leaders align who they are with what they build. After years in high-performance environments, she now speaks candidly about the human patterns behind business, turning personal growth into a competitive advantage. Direct, warm, and refreshingly unpolished.

SIGNATURE TALKS

Every talk comes back to one thread: what it takes to live and lead as who you truly are. I adapt it to the room, whether that is business, leadership, longevity, or life.

Life is not meant to be ordinary

On daring to build a truly extraordinary life.

Stop bullsh*tting yourself

Becoming radically honest and living your most authentic self.

Business growth follows personal growth

Why we can't leave our personality at the office door.
